### Washer / Weather Gard Dome

<p><b>CORRECT</b></p> <p>Neoprene washer slightly visible at edge of metal washer. Assembly is weather tight.</p>	<p><b>TOO LOOSE</b></p> <p>Neoprene washer not visible, not enough compression to seal properly.</p>	<p><b>TOO TIGHT</b></p> <p>Metal washer deformed. Neoprene washer extruded beyond edge of washer.</p>
---	--	---

### Sidelap Sealant

Low sloped roofs and high wind areas.
